Judaism, Christianity, and Islam all feature parallel accounts of the 'end times,' and all three accounts feature a messianic Saviour, an apocalyptic final war between good and evil, and a central role for the city of Jerusalem. Do these three 'end times' scenarios intersect in some way? In a world that cries out for peace, which will prevail—Jesus or jihad? We live in a world changed forever by 9/11—a world still very dangerous, where Westerners in general, and Christians in particular, remain targets of terrorism. People are wondering: What next? Is there any hope for peace in the world? Or is terror our destiny? Bible-believing Christians have even more questions: What does the threat of Islamic extremism mean in terms of Bible prophecy? What do today's turbulent events in Israel, Palestine, Egypt, Syria, Iran, Iraq, and Russia mean in prophetic terms? In *Jesus, Jihad and Peace*, Dr. Youssef provides answers that are concise, biblically accurate, and targeted on the challenges that confront us in a world that is increasingly fraught with peril.

We all want to know what happens after we die. Will we go to heaven? What will we do there? Will we see our loved ones? More and more people are asking questions about heaven and don't know where to find the answers. It turns out the Bible is filled with answers to your most important questions, explaining what heaven looks like, who will be there, and how to get there in the first place. In *50 Things You Need to Know About Heaven* readers will find clear explanations of these passages, giving them an honest and beautiful picture of their eternal home. The book answers 50 questions about heaven that are supported by Scripture. Each answer in *50 Things You Need to Know About Heaven* provides comfort and peace in the truth about heaven.

BOOK SYNOPSIS

After four years of hiding my faith from my family, I knew that it was time. I wrote with shaky hands, 'Jesus Christ is my Lord and Saviour. I refuse to deny him...'. There was no turning back now. I had to get out of that house if I wanted to live. Was this worth risking everything for? Yes."

RifqaBary grew up in a devout Muslim home, obediently following her parents' orders to practice the rituals of Islam. But God was calling her to freedom and love. He was calling her to true faith. He was calling her to give up everything.

Leaving Islam for Christianity cost her more than she imagined but gave more than she could have dreamed.

Hiding in the Light is the story of Rifqa's remarkable spiritual journey from Islam to Christianity. It is also the untold story of how she ran from her father's threats to find refuge with strangers in Florida, only to face a controversial court case that reached national headlines. Most of all, it is the story of a young girl who made life-changing sacrifices to follow Jesus—and who inspires us to do the same.

The heart of Christianity is transformation---a relationship with God that impacts not just our "spiritual lives," but every aspect of living. It's realizing that God meets us not in a Monastery but on Main Street, and that all of ordinary, daily life has the potential to be lived as if Jesus Himself were the one Living it.

The Life You've Always Wanted offers modern perspectives on the ancient path of the spiritual disciplines. But this is more than just a book about things to do to be a good Christian. It's a road map toward true transformation that starts not with the individual but with the object of the journey --- Jesus Christ.
