FROM THE EDITOR

One thing that people all over the world are in one accord with is that the youth of today are the leaders of tomorrow. It makes sense then that we should spend extraordinary time, effort and finances in training up the young people in our communities to fill the places and positions they are destined to control in the near future. Biblical examples abound where the Great Designer has put in place strategies and plans to help adults (those who are more mature) in training up the young. Moses tells us in Deuteronomy: "This is the commandment, the rules and regulations, that God, your God, commanded me to teach you to live out in the land you're about to cross into to possess. This is so that you'll live in deep reverence before God lifelong, observing all his rules and regulations that I'm commanding you, you and your children and your grandchildren, living good long lives... Love God, your God, with your whole heart: love him with all that's in you, love him with all you've got! Write these commandments that I've given you today on your hearts. Get them inside of you and then get them inside your children. Talk about them wherever you are, sitting at home or walking in the street; talk about them from the time you get up in the morning to when you fall into bed at night." Jesus encourages us further to accept His words as children do, simply because they are so susceptible to learning things when they are young. Solomon writes in the Proverbs that we should train our children in the way they should be going in their future when they are young, and that when they reach a mature age they won't depart from it since it is already written on their hearts.

The moment that those who are responsible for the training of the youth falter in their mandate and mess with the education system of a community we are in for a rough future. Unfortunately, the world over, a humanistic approach to life has eroded the responsibility of adults training the young by wrongfully empowering the immature in favour of the mature. Examples are heard in the news literally every day where the rights of parents have been encroached upon, and where children have the 'legal right' to sue their parents for assumed wrongs.

The basic problem of our New Age society (seemingly the pervading world-view) is absolutes have been removed and replaced with human rights; I see "human rights" the same way that I see discipline – there can be no real understanding of the rights we have outside of the borders of an absolute. The absolutes I am speaking about are the parameters set in place by the Great Designer of everything. God has kindly left us an instruction manual explaining all the laws that govern the world and those who dwell on earth. It is within this context only that we can take up our rightful place in ensuring we equip a future generation to take up the torch and make earth a better place for all.

Our responsibility has been broadened in South Africa due to the very large proportion of young people in our population demographic; this is largely due to the effects of AIDS and TB (1 out of every 10 South Africans suffer from the latter), the resultant deaths of adults and the growing population of orphans. We need to embrace our educational responsibility and ensure that we create an environment that is safe, friendly and open to growth for all our children.

THE GARDEN OF OUR HEARTS

ANDRÉ & JENNY ROEBERT

In the garden of Eden, God wanted to walk and talk with Adam and Eve daily. He gave His life through His Son, so that we can be redeemed and reconciled to walk with Him daily too, just as He did with them.

Our relationship with the Lord, is just like a garden. Writers in the Bible refer to our hearts as the place where we commune with God. Dr Caroline Leaf reveals in one of her bookshows, from a scientific and medical point of view, our physical hearts have a section in them called a brain. This is in fact, the heart's own central nervous system that is directly connected to our minds. She suggests that this is where our reborn spirits are connected to and commune with the Spirit of God (in the brain of our hearts). This means that whatever we choose to believe or hold onto, during the time when we commune with the Lord, and spend time in His Word - will in fact have a direct influence on our minds (our souls). Our minds are in fact just like gardens, ready to receive whatever we choose to agree upon. They are known as the gardens of our hearts.

So as we personally spend time with the Lord, where He walks with us and talks with us and pours His love into us, in the brain of our hearts, everything we agree upon and choose to hold onto, immediately gets planted into the garden of our hearts, being our minds.

Spending time with the Lord, whether it's reading His Word, praying, worshipping or listening intently to a teaching, really any way we learn more about Him and His ways, directly influences our souls. As we meditate on the things we learn in our hearts, they are like seeds that begin to take root in the garden of our minds. They form strong holds, like a hedge of protection around it. The truth of Who God is becomes our belief system, our reality, and an impenetrable barrier that blocks the lies and fearful, doubting thoughts the enemy uses to penetrate our minds.

In Mark 4:24, we learn a very important key to nurturing and growing our gardens of intimacy with the Lord. It says that the measure of attention we give to the Word of God, will

be proportional to the amount of virtue it produces in our lives. It also mentions that to those who choose to invest in the Word, more virtue will be given, but to those who don't, even what they have will be taken away, by force. Why? Because the truth about God and His ways, we hold onto, becomes a mighty fortress that protects our minds against the negative thoughts the enemy fires at us, thoughts that bring doubt and fear. If we have not invested in the truth of God's Word, when the calamities and storms of life do come, we have no protective fortress to hold onto. As a result, worry, doubt and fear overwhelm our thoughts, send our emotions into turmoil and influence us to make decisions based on fear and despair, and not faith in God's promises. 🏰

DISCOVER THE POWER TO BE ALL YOU CAN BE

JOYCE MEYER

Romans 8:37 says that “we are more than conquerors and gain an overwhelming victory through Him Who loved us” (AMP). This means that believers in Jesus are empowered by God to have victory over sin and the things in this world that try to keep us from living a godly life.

The question is: What’s the key to living in God’s power and actually becoming more than a conqueror? The anointing of the Holy Spirit. The anointing is God’s ability in you to enable you to do something with ease that you could never do in your own effort or without a struggle. Much like a car’s engine that eventually won’t run very well without motor oil, trying to do life without the anointing will make us powerless to do everything God created us to do.

Every one of us has a calling on our life, a plan designed by God specifically for us. But not everyone fulfills their God-given purpose and plan. Many times, people get distracted by other pursuits, or they get overwhelmed by a task that feels too big to handle, or they may even get caught up trying to do what someone else is called to do. This is a problem because if we’re not living in God’s will for our lives, we’ll end up being anxious, sad and miserable.

Whatever the reason is for getting off track, lack of sensitivity to the Holy Spirit is most likely at the root of it. You see, the Holy Spirit is our Helper. He is the One who leads each person to the work they are called to do. And He also supplies the anointing, or power, to do it.

John 14:26 (AMP) says that the Holy Spirit is “the Helper (Comforter, Advocate, Intercessor—Counselor, Strengthen-er, Standby)” and “He will teach you all things.” And John 16:7 (AMP) says He is sent “to be in close fellowship” with us.

So it’s in our best interest to cultivate a personal, intimate relationship with God first and foremost. Because it’s through a personal relationship with Him that He will, by His Holy Spirit, guide each of us according to His purpose and plan for our lives. And He will anoint, or enable us, to do what He has called each of us to do.

Make Yourself Available

The secret is taking time to get satisfied with God Himself. God’s presence—His love and grace—is what we really need to be fulfilled and have His power in our lives. And while we take the time to cultivate our relationship with

God...simply loving Him and being loved by Him...we become consecrated to Him.

To be consecrated means to be set apart, or separated, for a purpose. It is a time when we receive discipline, guidance, wisdom and direction from the Lord. It's a personal time—between you and God—for you to learn His true character and how to trust His ways and wait on His timing. You will also learn how to make yourself available as He is ready to use you.

The Holy Spirit decides when and how to use His vessels. Our part is simple—to be available. It works like this: If I want a drink of water, I go to my cupboard for a clean, empty glass to use. The glass doesn't ask me what I'm going to put in it; it's just there, ready and available for me to use when I need it. But what if all the glasses are dirty or filled with something I don't want? Then I won't be able to use any of them as I planned.

So, be like a clean, empty, available drinking glass. Your time "on the shelf," is simply time to prepare yourself, by building your relationship with God. Then you will be ready for the Holy Spirit to use you however and wherever He chooses.

Have Confidence in God's Power in You

Your part also includes realizing and understanding that you are anointed. Everyone is anointed for something... called to do something. 1 John 2:20 (AMP) says, "You have an anointing from the Holy One (you have been set apart, specially gifted and prepared by the Holy Spirit)..." Believe that! Look at yourself in the mirror and say, "I am anointed!"

It's very important to remember that we are anointed by the Holy Spirit when we accept Christ as our Savior and become a new creation in Him (see 2 Corinthians 5:17, 21). Don't let yourself fall into the trap of trying to get something you already have. You are anointed!

The way to release and let that anointing flow in your life is simple: obedience to the Holy Spirit right now! Cultivate sensitivity to Him and learn to follow His leading every moment of your life. And whatever you're doing—whether you are working on a detailed report for your boss, preparing a Sunday sermon for church, or making peanut butter and jelly sandwiches for your kids—remember that you are anointed for this moment. Because the Holy Spirit is in you right now!

A gap year gives young people time to reflect on what they think would be the college/varsity or career choice best suited to their needs.

What makes your programme extreme and adventurous?

We offer students a wide range of extreme activities to participate in such as: scuba diving, mountain biking, abseiling, kayaking, paint ball, 4x4 off-road driving, etc.

What is the value of a gap year programme?

A gap year gives young people time to reflect on what they think would be the college/varsity or career choice best suited to their needs. It allows them to clarify their interests and become aware of their strengths and weaknesses.

We also believe a gap year allows them to take advantage of learning that takes place outside the classroom and apply these skills in real life situations, within a protected environment. It is imperative that youths experience life in communities different from those in which they have been living and our extreme gap year programme offers them this experience. We

further believe that gap years allow students to learn about a variety of careers before making a critical decision and to gain maturity, initiative and resourcefulness, all valuable life skills.

What outcome do you hope is achieved in every student's life once completing your programme?

Our programme is designed to meet, challenge and grow the complete individual, body, soul and spirit, as we train tomorrow's leaders today. Our desire is for the young person to have fun and 'discover themselves' as they are developed into a person with vision and purpose. We endeavour to take boys and girls and to mould them into young men and women that will have a positive influence on our society and the world.

Describe how the programme works - when is your intake, how long does it last and how much does it cost?

The Beyond Adventure Extreme Leadership Gap Year Programme was launched in 2001. We are located 100 kilometres north east of Port Elizabeth in Alicedale. We are situated close to some of the great game reserves such as Addo Elephant Park and Shamwari.

Our programme runs from mid January till the first week of December.

The students are accommodated in rooms where they will learn to live with three other students.

Cost enquires and further info can be obtained from our offices as well as our website.

What makes your programme unique as opposed to other Gap year courses?

We believe the Beyond Adventure concept to be unique in South Africa. The concept of 'Extreme Education' was designed to provide a challenging environment for young people to discover and develop their leadership potential. Leadership deals with direction, vision, purpose and principles and our leadership programme focuses on building the students up, making them aware of other cultures, helping them with emotional bank account building and strengthening them as individuals functioning in a group context.

Most importantly, we run a programme that is founded on Biblical principles with Jesus Christ as the foundation stone.

I BELIEVE IN MIRACLES!

ANGUS BUCHAN

If I never believed in miracles before the 22 April 2017, I definitely do now.

In the Gospel of Mark 4:41 The Word of God says very clearly, "And they feared exceedingly, and said to one another, 'Who can this be, that even the wind and the sea obey Him!'" The disciples were in a little boat going across the Sea of Galilee and Jesus was sound asleep at the stern of the boat, when a massive storm blew up. They were afraid that the boat was going to sink and they cried out: "Lord don't you care?" Then Jesus stood up and He calmed the waves, and stilled the wind. It was indeed a miracle.

I looked up in the Oxford dictionary for the word miracle which means: object of wonder and it comes from the Latin word 'miraculum'. We saw a miracle take place on 22 April 2017. I stood on the platform and looked at the biggest crowd I've ever seen in my entire life with my physical eyes. We in South Africa are so blessed! I don't think there is any other country in the world that has had a prayer meeting which exceeds one million people. We don't know the exact number of people who attended and no one will ever

know, accept the Lord, but we believe it "exceeds" one million people.

It took place in six weeks and the budget was in the region of R40 million. We started with no money, we sold no tickets and we took no collections. God payed for everything. I asked the Lord in a very humble and quietly way for two things: "I would like to address one million people physically and not through any form of media, and secondly I would like to stand on the platform not owing anybody a penny." God gave me both of those requests and that is why I'm so in love with Jesus Christ, the Miracle Worker at this time and I will never doubt Him again.

He requires two things from His servant's: faith to believe for a miracle and obedience to fulfil exactly what He tells us to do. We saw over 400,000 motorcars not counting buses, aero planes, helicopters, and even trains arrive at the meeting. We had the biggest sound system in South Africa and we had over 30 different stations with speakers and side screens going out from the platform. When I stood on the platform I could not see the end of the crowd. People came

for a two-hour prayer meeting from every corner of this Nation and no wonder God heard our prayers, but for me the ultimate of the whole miraculous event was when I had the privilege of leading one million plus people in the sinners prayer of dedication and rededication, acknowledging that Jesus Christ is sovereign Lord alone - that moment truly has to be the highlight of my entire life.

God always honours the prayer of faith. James 5:17-18 (NKJV) says, "Elijah was a man with a nature like ours, and he prayed earnestly that it would not rain; and it did not rain on the land for three years and six months. 18 And he prayed again, and the heavens gave rain, and the earth produced its fruit." I really believe that is what God is looking for in these last days; men and women of faith, and who are prepared to believe that miracles still happen!

Not even a week after that miraculous prayer meeting we heard that the South African Rand had strengthened and that the local government in Pretoria were singing gospel songs and praying to Almighty God. Not only that, but we heard that it began raining in Cape Town (up until then, no rain had fallen this year). It has been miracle after miracle.

We then heard that the nuclear plans had been shelved and many financial experts will tell you, that would have caused South Africa to have gone bankrupt if it had been implemented. All these things happened within a few days after the prayer meeting called "It's time."

Like never before, my faith has grown and my intensity for prayer has increased. I know that God answers the prayer of faith and I want to encourage you to expand your prayer time and to really start to "... walk by faith, not by sight." (2 Corinthians 5:7) and remember Romans 10:17 (NKJV), "So then faith comes by hearing, and hearing by the word of God."

You see, my dear friend, we need faith to believe for our miracle and we must stop trying to explain miracles away. We need to start believing and thanking God for them, and you will see more miracles than you have ever seen in your life before. Because it is time for miracles and to observe with our carnal eyes 'objects of wonder'. 📌

Yours in Christ service

FAITH USA LAUNCHES ON DISH NETWORK!

DR WALDO MALAN

It's with great excitement that Faith Family of Networks announced the launch of a new satellite channel in the USA, called FaithUSA. President and CEO, Dr. André Roebert says, "Over the years, we have received many prophetic words concerning the future significance of Faith Broadcasting Network. We have carried the voice of faith and the power of the Holy Spirit across the nations of the earth, and we have eagerly awaited the arrival of every season to get us there."

Faith Family of Networks launched in 2002 as the first ever Christian television channel in South Africa and has grown over the last 15 years to a network reaching over 250 million households in Africa, the United Kingdom and the United States. According to Dr. André Roebert the expansion into the USA heralds a new season of expansion. "In addition to reaching ±14 million homes via Dish Network channel 269," he comments, "we are currently negotiating local broadcasting in some other states and cities throughout the USA, which will bring the potential reach of FBN to close to 20 million homes."

Ben Ferrell, of BMC Ferrell agencies, who works in close association with FBN comments, "We have an earnest sense of anticipation to see God's kingdom extended, and as such, the potential of reaching millions of souls fills us with awe. God is at work, and as His servants fulfilling the great commission, we are all a vital part of it!"

Faith Family of Networks consider the 6 July launch as an enormous opportunity to infiltrate the USA and Africa with the Word of Faith and the move of His Holy Spirit. "FaithUSA will focus on the power of the Holy Spirit," says Dr. Roebert, "broadcasting live programs showing revival in action, the supernatural, and mira-

cles, and as such this will set our channel apart from most other religious offerings on television." Each programmer and content provider on our network has a unique way in conveying the Gospel of Christ, and by giving various approaches to so many different viewers, we ensure that the message will hit its mark. Some of the programmers include Jonathan Shuttlesworth, Katie Souza, Rodney Howard-Browne, Paula White, and Curry Blake. Many other respected ministers, such as Kenneth & Gloria Copeland, Bill Winston, John & Lisa Bevere, Jentezen Franklin, Planetshakers, and Beth Jones form part of the regular program lineup.

"The program content on FaithUSA encourages and uplifts the lives of its viewers through top international and local shows that include everything from wholesome comedy, talk shows, documentaries, entertainment, music, top local and international inspirational family movies, as well as children's and youth based shows," says Ben Ferrell. "FaithUSA is part of the selective block of religious channels on Dish Network. It is adjacent to the block of Hispanic channels, beginning with Univision, one of the most highly rated television networks in America."

"FaithUSA is primarily focused on souls," says Dr. Roebert, "confirming the Word with signs following in the power of the Holy Spirit for live broadcasts." The channel is geared towards the whole family, and the promotional launch video released by FBN encapsulates their purpose - "Invite the supernatural into your home this summer as FaithUSA launches on Dish Network Channel 269. Experience the miracle-working power of God daily as you join millions worldwide in a spirit of faith, hope and love. It is about uniting your family, your community, your nation, it is about God as the mainstay of your life."

It's been a long time since fourteen tracks has told such a grand and honest story. These fourteen tracks show just

how boldly they have called people to join in the revolution. From Movements to Praise Like Fireworks, Second Chance to My Lighthouse, Rend have made a habit of creating not just a soundtrack for a Christian community, but investing in and nurturing that community itself.

"Smart" is a powerful word. But what does it mean to be smart? If your child is not good at math or languages, does that mean he or she is not smart? No! Dr. Kathy Koch wants parents to know that their kids are smart, whether they excel in the classroom or not!

8 Great Smarts will guide parents to discover and nurture their children's intelligence, because children can be word smart, logic smart, picture smart, music smart, body smart, nature smart, people smart, or self smart. Parents will be able to determine what kind of smart their child is through the suggested activities provided in this book. Free assessments can also be downloaded from the 8 Great Smarts website (www.8greatsmarts.com) using the password provided in the book. Rare Leadership

4 Uncommon Habits for Increasing Trust, Joy, and Engagement in the People You Lead

RARE LEADERSHIP

Marcus Warner is the president of Deeper Walk International. He is a former pastor and college professor who has written several books on topics ranging from how to study the Bible to spiritual warfare, emotional healing and leadership. Marcus has also led training events for organizations such as The Navigators, Willow Creek Prison Ministry and The Moody Church.

- Discusses the 4 uncommon habits to lead with emotional maturity, namely to remain relational, act like yourself, return to joy and endure hardship well.

Jim Wilder has been training leaders and counselors for over 27 years on five continents. He is the author of nine books with a strong focus on maturity and relationship skills for leaders. His coauthored book *Living from the Heart Jesus Gave You* has sold over 100 000 copies in 11 languages. He is currently executive director of Shepherd's House Inc. and is the founder of Life Model Works.

Healthy teams begin with healthy leaders, and at the heart of this dynamic is emotional maturity – the quality the greatest leaders possess.

Combining solid theology, cutting-edge brain science, and decades of counseling and consulting experience, *Rare Leadership* shows you how to take your leadership and team to the next level. It will equip you to:

- Cultivate emotional maturity in yourself and others
- Develop the four uncommon habits of R.A.R.E. leaders – Remain Relational, Act Like Yourself, Return to Joy, and Endure Hardship Well
- Promote a strong group identity
- Keep relationships bigger than problems
- Increase your productivity through trust, joy, and engagement.

Discussion questions are included at the end of each chapter. A glossary at the end of the book is also available to explain some of the terms and concepts discussed.

Whether you are burnt out or just looking to improve, when you prioritize people and lead from a secure identity you'll be amazed at the freedom you will feel and the results you will see. You can lead from a healthy place, respond rather than react, and build the team of your dreams. If you want to take your organization to the next level, it starts with you. *Rare Leadership* will equip you to lead joy-filled, emotionally mature, and relationally connected teams.

KEY SELLING POINTS:

- Jam-packed with insightful drawings and tables to explain given examples.
- Discussion questions at the end of each chapter.
- Includes a glossary of terms.

ABOUT RBI AFRICA

3 YEAR FULL TIME TRAINING PROGRAM designed for those who desire to step into their full time calling into the fivefold ministry.

Accredited through Transworld Accrediting Comissions.

2 Timothy 2:15, "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the Word of truth."

This is why River Bible Institute exists. We desire to see believers rooted and build up into Christ, and established in the faith. We believe in the absolute sufficiency of Christ and His Word, and we believe that God's Word should be studied and learned so that the believer can be thoroughly furnished unto all good works. Adding to this that the Holy Spirit came down with fire in the second chapter of Acts, we realised that Word without fire will become religion.

Our desire is to teach believers how to study God's Word and rightly divide it according to the revelation but to operate under the fire and unction of the Holy Spirit.
